This is the next step in our amazing review of the Neuvy 2. We've moved on to the next step of the Neuvy 2 - the sleeve. Here you see what the sleeve does to the Look. And you will see that it is easy to see why the needle is not always the most sensible thing to use for fitting. Also, you will see that it is easy to see why the needle is not always the most sensible thing to use for fitting. To make it look like a fit that you would buy. I have put about ten different patterns on a "fit" that I have bought. The patterns are very different and have come from many different companies, one from Neuvy and I guess you can figure out which. The patterns have included everything from 8 different size patterns from a US based company, some from a company in Germany that has sold amazing patterns on all sorts of wearable garments for years and one from a company from the US that has been making some of the very best fitting garments for years. I took the patterns and applied them to the Neuvy. So you can get an idea what
